

Travel Lighter

Bosch Blue Line modular intrusion detectors lighten your load.

Now you can equip your installers with the detectors they need to complete their work — *the first time out.*

- Reduce inventory — four detector models and a choice of plug-in cameras cover a wide range of residential and light commercial applications.
- Two-piece design reduces training and installation time.
- Plug-in terminal strip provides easier access to the wire terminals and ample working space.

Don't weigh yourself down. Choose the new Blue Line detectors from Bosch.

Security you can rely on.
