Bosch is committed to comply with the relevant terms of any open source license included in its products.

To this effect, Bosch has created a single point of contact per region to enable any licensee of open source software to have access to the relevant source code or other information that such licensee may be entitled to under the terms of a relevant license.

Any software that is licensed under an open source license, under the terms of which the licensee is entitled to obtain the program or its source code, can be obtained through the contact point in your region, indicated below, for the relevant period as mentioned in the relevant open source license.

That contact point can be reached at:

Americas Telephone: +1 800 326 1450 Email: technical.support@us.bosch.com
Europe, Middle East, and Africa Telephone: +31 40 2577101 Email: video.support@nl.bosch.com
Asia Pacific Region Telephone: +65 6571 2222 Email: cctvsupport.apr@sg.bosch.com

If you want to obtain the complete Corresponding Source Code in the physical medium such as CD-ROM by airmail, Bosch may charge for reasonable costs related to producing a physical carrier of open source software or source code. This offer is valid to anyone in receipt of this information.

c) Warranties and disclaimer of warranties

Software provided under other licenses has specific disclaimers of warranties. These are repeated in the full license texts, and apply in full to the relevant software components.

All software components provided under the other licenses, are provided “as is”, without any warranty of any kind, including but not limited to any implied warranty of merchantability or fitness for a particular purpose, unless stated otherwise in writing. Please see the full text of the relevant software licenses for further details.

The Bosch standard product warranty only applies to the combination of hardware and software as delivered by Bosch. Without prejudice to any licensee's right to apply the provisions of a relevant software license, any modification of any software delivered with or as part of the product may render any warranty on the whole product or any parts thereof null and void, and Bosch is entitled to charge fees for any services in relation thereto.
