

GUIDA PER CONFIGURARE CORRETTAMENTE IL BROWSER MICROSOFT EDGE PER OTTENERE LA COMPATIBILITÀ CON DISPOSITIVI HIKVISION.

1) Cercare "IE Tab Edge" con il motore di ricerca:

The screenshot shows a Google search for "ie tab edge". The search bar contains the text "ie tab edge". The search results are as follows:

- IE Tab - Microsoft Edge Addons**
Display web pages using IE within Edge. Use Java, Silverlight, ActiveX, Sharepoint, and more. IE Tab exactly emulates IE by using the IE rendering engine ...
- Che cos'è la modalità Internet Explorer (IE)? - Microsoft Docs**
16 mar 2022 — La modalità IE su Microsoft Edge semplifica l'utilizzo di tutti i siti necessari all'organizzazione in un singolo browser. Utilizza il motore ...
- IE Tab - Chrome Web Store**
IE Tab exactly emulates Internet Explorer, and enables you to load your web pages with different versions of IE (IE7 - IE11) FULLY SUPPORTED IN WINDOWS 11 ...
★★★★★ Valutazione: 4,3 · 21.241 voti · Gratis · Chrome
- IE Tab**
22 apr 2022 — Display web pages using IE within Chrome. Use Java, Silverlight, ActiveX, Sharepoint, and more. IE Tab exactly emulates Internet Explorer, and ...

Below the search results, there is a section titled "Le persone hanno chiesto anche" (People also asked) with three questions:

- Come passare da Edge a Internet Explorer?
- Cosa Internet Explorer?
- Dove trovo impostazioni Visualizzazione Compatibilità?

A "Feedback" link is located at the bottom right of the "Le persone hanno chiesto anche" section.

2) Scaricare e installare il Tool "IE Tab":

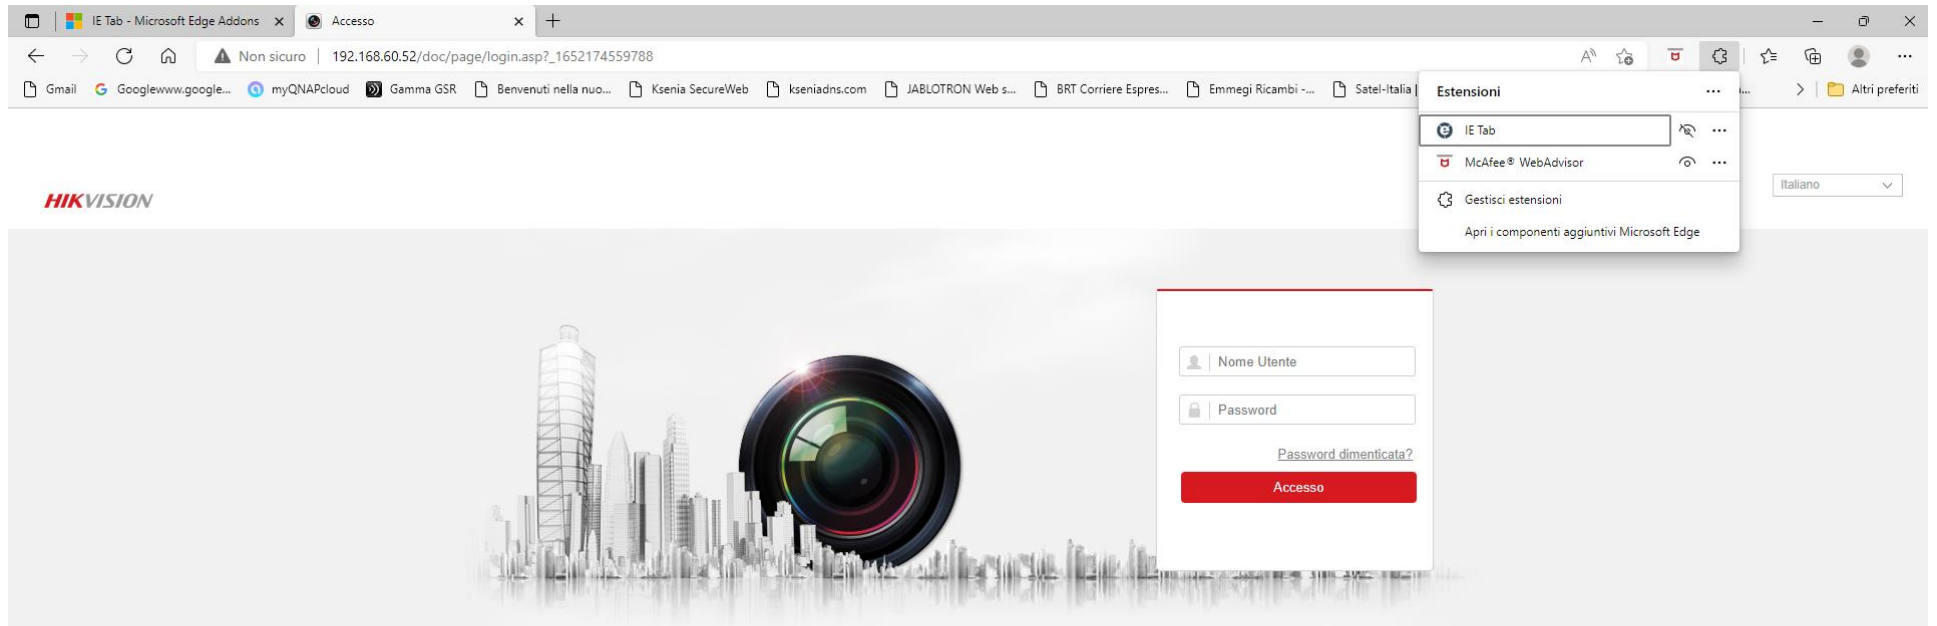

The screenshot shows the Microsoft Edge Addons page for the "IE Tab" extension. The browser's address bar displays the URL: <https://microsoftedge.microsoft.com/addons/detail/ie-tab/njkkakdaajihjaoeliacmecofghagh>. The page header includes the Microsoft logo and the text "Componenti aggiuntivi di Edge BETA".

The main content area features the "IE Tab" extension card, which includes the extension's icon, the name "IE Tab", the developer "Blackfish Software, LLC", a 5-star rating from 51 reviews, and over 700,000 users. A "Rimuovi" (Remove) button is visible, indicating the extension is already installed. Below the card is a carousel of images showing supported technologies like Java, Silverlight, and SharePoint, and a screenshot of the "Auto URLs" configuration interface.

The "Descrizione" (Description) section states: "Display web pages using IE within Edge. Use Java, Silverlight, ActiveX, Sharepoint, and more. IE Tab exactly emulates IE by using the IE rendering engine directly within Edge. This will enable you to use ActiveX controls and test your web pages with different versions of IE (IE 7-11)."

On the right side, the "Dettagli" (Details) section lists the version as 14.1.13.1, updated on January 13, 2021, and provides links for "Disponibile in 1 lingua" (Available in 1 language), "Condizioni" (Conditions), "Informativa sulla privacy" (Privacy policy), and "Sviluppatore" (Developer). The developer is identified as "Altri componenti aggiuntivi da Blackfish Software, LLC". A "Segnala un abuso" (Report abuse) button is also present.

3) Digitare l'indirizzo IP del dispositivo Hikvision sulla barra di navigazione. Quando apparirà la pagina di login del dispositivo, selezionare il Tool "IE Tab" come raffigurato in figura:

4) A questo punto, il dispositivo verrà richiamato tramite il Tool “EI Tab” e non dalla barra di navigazione standard:

The screenshot displays a web browser window with the following elements:

- Browser Tabs:** "IE Tab - Microsoft Edge Addons" and "Accesso".
- Address Bar:** "extension://npjkkakdacjaihjaoeliacmecofghagh/nhc.htm?url=http://192.168.60.52/doc/page/login.asp?_1652174559788".
- Page Header:** "HIKVISION" logo on the left and a language dropdown menu set to "Italiano" on the right.
- Main Content:** A login form with a white background and a red border, containing:
 - A text input field for the username.
 - A password input field labeled "Password".
 - A link for "Password dimenticata?".
 - A red button labeled "Accesso".
- Background:** A stylized city skyline with a large, detailed camera lens graphic in the center.

5) Aggiungere la pagina tra i preferiti, cosicché essa si salvi con tutte le configurazione già impostate :

The screenshot shows a Microsoft Edge browser window with the address bar displaying `http://192.168.60.52/doc/page/login.asp?_1652174559788`. The page content includes the Hikvision logo and a login form with the following elements:

- Username field:
- Password field:
- Link: [Password dimenticata?](#)
- Red button: **Accesso**

The 'Preferito aggiunto' dialog box is overlaid on the page, showing:

- Nome:
- Cartella:
- Buttons: Altro, **Fatto**, Rimuovi
